Vebe Floorcoverings b.v. products are to be installed in full accordance with Vebe installation instructions and recognised trade standards. An effective, regular cleaning and maintenance programme is vital for retaining a high appearance level. Vebe products should only be used as floorcoverings. Note: Vebe Floorcoverings b.v. reserves the right to adapt this specification without giving prior notice. For the latest versions of the technical specifications, check our internet site.

In the area of office chairs we recommend to use mats made of polycarbonate. This extends the life of your carpet.
